

# Thermographer Certification Renewal Form

All ITC certified thermographers renewing their certification level are required to meet continuing education or professional contribution requirements during a five (5) year period. There are two ways of extending your ITC thermography certification level for an additional five years:

1. Attend an ITC thermography certification class at your current certification level or upgrade to a higher level.  
OR
2. Show proof of employment in thermography with efforts to continue your thermographic knowledge and education as outlined below. Any combination of activities is acceptable (e.g. 2 articles or 1 article and 16 credits at a conference, or 32 credits at a conference, etc.). Your certification will be extended for **5 years from the date you earned your 32<sup>nd</sup> credit.**

If you want your photo on your certification badge, please email a recent photo in jpg format with this form to [Haroula.Tsolakidis@flir.com](mailto:Haroula.Tsolakidis@flir.com).

Step 1 – Candidate Information	Step 2 - Certification Level
Student Name: _____	<input type="checkbox"/> Level I
Certification ID Number: _____	<input type="checkbox"/> Level II
Company: _____	<input type="checkbox"/> Level III
Address: _____	<input type="checkbox"/> Building Science
